Impact100 Hunterdon offers you the opportunity to make a difference in our community, whether you are a business, community group or an individual!

Impact100 Hunterdon is a volunteer driven women's organization based on a collective giving model that combines members' donations to grant \$100,000 to a local nonprofit. To ensure that 100% of each \$1,000 donation goes to a Hunterdon County nonprofit, they seek sponsorships to fund operational costs like website management, marketing, member recruitment, and events.
